

[Register now! Webinar: Resources and tips for doing business with Colombia, the gateway to Latin America, Thursday, March 8th, 10:00 a.m. to 11 a.m. EST](#)

Colombia is the gateway to Latin America. *But what does it mean to do business there?* Going global requires learning when to leverage cultural similarities, and when to adapt a product or service for the unique aspects of the market. This webinar will provide an overview of Colombia's world-class business environment for digital content and creative industries, audiovisual production, software, and more. You will learn about areas of adaptation to consider, tips for localizing a product, service, or a brand, and the expert services available to help you achieve it.

Sign-up now at <http://www.gatewaytotrade.com/colombia> for this webinar, and hear from Government of Colombia representatives, trade in services experts, and Colombian companies. You will receive a reminder and registration info.

COLOMBIA

- The Industry:* Hundreds of Digital Creative & IT Companies, Talented & Cost-Effective
- The Country:* Rapidly Growing – Developed Infrastructure – Strong Government Support
- The People:* World-Class – Well-Educated – Innovative – Complementary Culture

The Gateway to Trade project is possible thanks to the financial support of the Government of Canada through Global Affairs Canada, and administered by TFO Canada.

And in partnership with:
